The lecture will be taught in English language. A full text version of the German Civil Code in English language is available (<https://www.gesetze-im-internet.de/englisch_bgb/englisch_bgb.pdf>), even if it only reflects the state of the law as of October 1st, 2013.

As for the recent amendments there is no (semi-)official translation available yet. For the courtesy of the participants I made up an excerpt of the German Civil Code relating to the subject-matter of the course containing also a translation of the new provisions.
